Corvette Club marks 50th anniversary

The Kettle Moraine Corvette Club (KMCC) is a non-profit car enthusiast organization with one common passion—that of Corvette. The group meets the first Wednesday evening of each month at 7:30 p.m. Town & Country golf course in Sheboygan is the site of meetings October through April with rotating locations throughout Sheboygan and Manitowoc counties during May through September. In addition to monthly membership meetings, the club organizes quarterly brunch outings, weekend trips including overnights, low-speed autocross activities, staffs the Corvette Corral at Road America, hosts member road rallies, Salvation Army bellringing, and support of other charities in surrounding communities. New members are always welcome. Prerequisite for membership is adults age 18 or over who own or lease a Corvette. About 45 percent of current members reside in Manitowoc County, 49 percent in Sheboygan County, and 6 percent elsewhere in Wisconsin or out of state. Current KMCC Club Officers are President Mary Lou Haen and Secretary Bob O'Keefe, both of Sheboygan; Vice President Gary Hoppe of Manitowoc; and Treasurer Rick Waldbauer and NCCC Governor Dick Huibregtse, both of Sheboygan Falls. Board of Directors at large include Ed Wendorf of Kewaskum, Ron Eppinger of West Bend, and Herb Buil of New Holstein.

For more information on the Kettle Moraine Corvette Club visit www.KMCC-CW.org, on Facebook, or call (920) 565-4400.

Over the years Kiel dentist Dr. David Pieper has raised funds and worked to create awareness about the fight against prostate cancer.

Pieper explained that if prostate cancer is caught before it metastasizes it is almost 100 percent curable, although he added there is not a reliable chemotherapy treatment for prostate cancer.

Pieper explained that this effort is caught before it metastasizes it is almost 100 percent curable, although he added there is not a reliable chemotherapy treatment for prostate cancer.

Pieper said, “It came full circle for me,” Pieper said. “I’ve been out in Washington advocating for these funds.”
