

# ZERO CHAMPIONS CHATTER

MID-ATLANTIC | AUGUST 2021

## INTRODUCING THE \*NEW\* SOUTH ATLANTIC CHAPTER

That's right! ZERO has added a new chapter, the South Atlantic Chapter! This chapter will consist of North Carolina, South Carolina, and Eastern Tennessee - this is a huge win for patients! We will never forget the incredible impact North Carolina has had in being a part of our Mid-Atlantic Chapter, and we are so excited for North Carolina Champions to meet our new Chapter Director, Matt Miller!

## CHAMPION CHAT THIS THURSDAY

This will be the last Champion Chat with our North Carolina Champions and a great opportunity to meet Matt via ZOOM! We'll be chatting about what's new with ZERO, Prostate Cancer Awareness Month, Run/Walks, Advocacy Updates, and more! Join [THIS](#) link at 5:30 PM EST.

## VETERAN AND ACTIVE DUTY SURVEY

As we know, 1 in 5 Veterans will be diagnosed with prostate cancer. ZERO is committed to providing education and resources to veterans and are conducting a survey to help guide decisions on how to best meet the education and awareness needs for those who are at risk or have been diagnosed with prostate cancer.

If you are serving or have served in the armed forces, we need you to participate in our Veterans and Prostate Cancer Survey. Thank you for sharing your insight and experience with us and please feel free to share with other Veterans in your community. The survey is open to all Veterans, whether or not they have been diagnosed with prostate cancer - please share! You can find the survey [HERE](#).

## DONOR IMPACT REPORT AVAILABLE

Last week, [THIS EMAIL](#) was sent to donors of our spring campaign. As fundraisers, this is a great opportunity to share this

information with folks who have donated to our own fundraising and thank them again for their generosity, whether it be our Run/Walk pages, Facebook Birthday Fundraisers, etc
